

Conversation 1

C = Customer W = Waiter

- C:** Can I have a coffee, please?
W: With milk?
C: No thanks. Black.
W: Sugar?
C: Yes, please. One.
W: One black coffee with sugar! That's four euros.

Conversation 2

C = Customer W = Waiter

- C:** Can I have two coffees, please?
W: Espresso or cappuccino?
C: Oh, espresso, please.
W: Anything else?
C: No thanks. How much is that?
W: That's five euros fifty.

Conversation 3

C = Customer W = Waiter

- W:** Hi.
C: Hi. Can I have an egg sandwich, please?
W: White or brown bread?
C: Oh, brown bread, please.
W: Anything else?
C: Yeah, can I have one of those cakes?
W: These ones?
C: No, the chocolate ones.
W: Anything to drink?
C: Yes, a mineral water, please. How much is that?
W: That's four euros for the sandwich, three for the cake and two for the mineral water. That's nine euros.
C: Here you are.

Conversation 4

C = Customer W = Waiter

C: Can I have a mineral water, please?

W: Still or sparkling?

C: Sparkling, please.

W: Anything else?

C: No, thank you. How much is that?

W: That's three euros.

Conversation 1

C = Customer W = Waiter

C: How much are those cakes?

W: These ones?

C: Yeah.

W: They're one eighty.

Conversation 2

C = Customer W = Waiter

C: How much is that?

W: That's four euros fifteen.

C: Fifty?

W: No, fifteen.

Conversation 3

C = Customer W = Waiter

C: Is this sandwich three euros?

W: No, it's two euros ninety.

C: Here you are.

W: Thanks.

Conversation 4

C = Customer W = Waiter

W: So that's two coffees and a mineral water.

C: That's right.

W: So that's six thirty-five.

Conversation 5

C = Customer W = Waiter

W: That's eleven euros forty.

C: Here you are.

W: No, forty, not fourteen.

C: Oh. Sorry.
